## Proud Moments

Beside academic education we encourage our girls in sports also. Our two girls Savli and Saloni made us proud. Savli of class 7<sup>th</sup> and Saloni of class 9 from a low-income background with a passion for cricket. They have a dream to become a professional cricketer. We took them admission in Cricket academy and they are going for a practice regularly. On 25<sup>th</sup> March-23 Savli made us proud by winning an incredible cricket match in the Women Primer League. She is an example of what can be achieved with hard work and determination! Thanks to your support this is not possible without your support.
